Dear Endre

I write following our recent discussion. I appreciate the interest of this matter to taxi licence owners.

As discussed, from Opposition I cannot access data required to model a perpetual taxi licence buy back scheme.

If Labor forms the next government, I will ask the Department of State Growth to model a range of fair and just perpetual taxi licence buy back schemes.

Any decision subsequent to that would be a matter for the new government.

Thank you again for taking the time to meet with me.

Yours sincerely
